Yes, the card is set up as both a gift card and a rewards program card. So, you can add money to your card at any time while visiting Company 7 BBQ.

How can I check my points and my gift card balance?

There are two easy ways to check your balance:

1. Check your points on line at this link: Loyalty Balance Look-Up: <https://www.toasttab.com/company-7-bbq/rewards> online.
2. Or you can have your server, cashier, or drive thru attendant check your balance on your next visit.

Can I earn points through outside catering?

No sorry, catering sales do not earn points (but drive through sales do). Drop off and catering sales are higher cost offerings for us, but we feel it is important to offer the same low prices. However, we cannot further incentivize catering sales with points. We are sure you can understand.
